RVP Business Systems

Please accept this letter in behalf of RVP Business Systems employee Michael Spitzer. Our whole experience here at Bountiful Ridge Golf Course, starting with our point-of-sale Consultant and continuing with Michael Spitzer as our Service Technician has been wonderful.

Michael as our Service Technician showed great knowledge and understanding of the system in being able to answer all of our questions and take care of all of our concerns. Michael is a pleasure to work with and definitely has met all of our expectations associated with the operation and install of our new Point of Sale system.

We are excited to open up a new year with RVP Business Systems as our new Point of Sale Solution Partner. We know with Michael being our Service Technician that we will continue to get the support and help we need. Thank you RVP Business Systems for a great experience .

Sincerely,

Scott Olsen
