Adam;

Just a quick note to say thank you! The service you provide for us here at Lush has been truly exceptional! I am a very demanding business owner and you have gone above and beyond to make sure we were taken care of! You're always easy to get a hold of, or return calls immediately. . . These are two qualities that are very rare in companies today. . . Thanks to your help, our Micros system is performing the way it should be and saving me a tremendous amount of time and money! I look forward to working with you in the future on Lush and our other purchases. Thanks again for the great service!

Thanks again,
