March 16, 2004

To Whom It May Concern:

St. Luke's Food and Nutrition Services Department has been a customer of RVP since 1992. At that time RVP installed three (3) Micros 2700 POS registers. We have since then expanded to eight (8) registers. RVP has over the years provided us with excellent customer service and I would recommend them for products and services that they provide.

Respectfully,

A handwritten signature in cursive script that reads "J Cardillo".

James Cardillo
Senior Food Service Director
